

Application

AGRI-TEC REAL CLEAN may be applied by cloth, sponge, brush, trigger sprayer, mop, or pressure washer. Allow product to dwell on surface for a few minutes to penetrate soil. Agitate surface where necessary and wipe or rinse area thoroughly. Never allow cleaners to dry on the surface.

Dilution Information

Use AGRI-TEC REAL CLEAN straight for extremely dirty, oily or grimy surfaces. Dilute for lighter soils.

Recommended dilutions:

- 1:1 for Heavy Duty applications
- 1:10 for Medium Duty applications
- 1:30 for Light Duty applications

CUSTOMER BENEFITS
